Dear Mr. Jozue Chaires,

On behalf of the City of El Paso's Economic & International Development Department and the Business One-Stop Shop (BOSS), we would like to sincerely thank you for joining the City Employee Discount Directory.

We are excited to welcome your business, **Top Tier Project Services**, as a participating partner and are proud to showcase your small business to over 6,000 City of El Paso employees. Your participation not only highlights the unique value your business brings to our community but also helps strengthen our local economy by encouraging City employees to shop local and support businesses like yours.

This initiative is designed to create meaningful connections between local businesses and our workforce, and we are grateful for your willingness to be part of this effort. Your involvement helps us continue building a stronger, more connected small business community across El Paso.

Enclosed, you will find a one-pager that includes examples of City of El Paso employee ID badges. City employees will present their badge at the time of purchase to redeem the discount you have chosen to offer.

We truly appreciate your partnership and your support of our community. We will also be providing a copy of the form you submitted, which includes your discount details. If you ever need to update your offer or would like support with additional resources, our team is here to assist you every step of the way.

If you would like to learn more about how BOSS can support your business, we would be happy to schedule a meeting with you. Our team offers free resources and guidance for small businesses, including assistance with permitting and licensing navigation, connections to local business resources,
